Cong Ma,

As a valued TD MyAdvantage customer, we've appreciated your participation in the TD MyAdvantage program. We are sorry that Cong won't be joining us for a new and improved driving app experience.

The old TD MyAdvantage program is no longer available, so any drivers who have not enrolled in the new TD MyAdvantage program are unable to keep their program discount.

This Certificate is proof of a contract of insurance between the Named Insured and the Insurer, subject in all respects to the Ontario Automobile Policy (OAP 1). In return for the premium charged and the statements contained in the Application, the contract provides the coverage outlined in this Certificate. You only have a particular coverage for a specific automobile if this Certificate shows a premium for it, or shows the coverage is provided at no cost. All other terms of the Policy remain the same unless stated otherwise in this Certificate. Your Insurer will provide you with a copy of the Policy if you request it. This Certificate is only valid if it is signed by an authorized representative of the Insurer.

President and Chief Executive Officer

For purposes of the Insurance Companies Act (Canada), this document was issued in the course of the Insurer's insurance business in Canada.

Warning: The Insurance Act provides that where (a) an Applicant for a contract, (i) gives false particulars of the described automobile to be insured to the prejudice of the Insurer, or (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated therein; or (b) the Insured contravenes a term of the contract or commits a fraud; or (c) the Insured wilfully makes a false statement in respect of a claim under the contract, a claim by the Insured, for other than such statutory accident benefits as are set out in the Statutory Accident Benefits Schedule, is invalid and the right of the Insured to recover indemnity is forfeited.

This is a brief explanation of the insurance outlined in this Certificate.

Liability

Provides coverage for you or other insured persons if someone else is killed or injured or their property is damaged in an automobile accident. It will pay for legitimate claims against you or other insured persons up to the limit of your coverage, and the cost of settling claims.

Accident Benefits

Your insurance company is obligated to explain details of Accident Benefits coverage to you.

Provides benefits that you and other insured persons are entitled to receive if injured or killed in an automobile accident. These benefits may include: income replacement for persons who have lost income; payments to non-earners who suffer complete inability to carry on a normal life; payment of medical, rehabilitation and attendant care expenses; payment of certain other expenses; payment of funeral expenses and payments to survivors of a person who is killed. You may also purchase optional benefits to increase the standard level of benefits provided in the policy. The optional benefits your Insurance company must offer are: income replacement; medical, rehabilitation and attendant care; optional catastrophic impairment; caregiver housekeeping and home maintenance; death and funeral; dependant care; and an indexation benefit.

Uninsured Automobile

Provides coverage if you or other insured persons are injured or killed by an uninsured motorist or by a hit-and-run driver. It covers damage to your automobile and its contents caused by an identified uninsured motorist.

Direct Compensation - Property Damage

Provides coverage in Ontario, under certain conditions, for damage to your automobile and to property it is carrying, when another motorist is responsible. It is called Direct Compensation because you will collect from us, your insurance company, even though you are not at fault for the accident. There may be a deductible amount, and this amount is either paid by you toward the cost of repairs or is deducted from the loss settlement. Higher deductibles may reduce your premium. If you elect not to recover damages from your insurance company under this coverage, you may make such an election by providing written confirmation to your insurance company of this election.

Loss or Damage

Provides a selection of optional coverages for your own automobile. Payments cover direct and accidental loss of, or damage to, a described automobile and its equipment. There is usually a deductible amount indicated for each coverage and this amount is either paid by you toward the cost of repairs or is deducted from the loss settlement. Higher deductibles may reduce your premium. There are four types of coverages:

- **Specified Perils:** Covers the described automobile against loss or damage caused by certain specified perils. They are: fire; theft or attempted theft; lightning; windstorm; hail or rising water; earthquake; explosion; riot or civil disturbance; falling or forced landing of aircraft or parts of aircraft; or the stranding, sinking, burning, derailment or collision of any kind of transport in or upon which the described automobile is being transported.
- **Comprehensive:** Covers a described automobile against loss or damage other than those covered by Collision or Upset, including perils listed under Specified Perils, falling or flying objects, missiles and vandalism.
- **Collision or Upset:** Covers damage when a described automobile is involved in a collision with another object or tips over.
- **All Perils:** Combines the Collision or Upset and Comprehensive coverages.

Warning – Offences

It is an offence under the Insurance Act to knowingly make a false or misleading statement or representation to an Insurer in connection with the person's entitlement to a benefit under a contract of insurance, or to wilfully fail to inform the Insurer of a material change in circumstances within 14 days, in connection with such entitlement. The offence is punishable on conviction by a maximum fine of \$250,000 for the first offence and a maximum fine of \$500,000 for any subsequent conviction.

It is an offence under the federal Criminal Code for anyone to knowingly make or use a false document with

the intent it be acted on as genuine and the offence is punishable, on conviction, by a maximum of 10 years imprisonment.

It is an offence under the federal Criminal Code for anyone, by deceit, falsehood or other dishonest act, to defraud or to attempt to defraud an insurance company. The offence is punishable, on conviction, by a maximum of 14 years imprisonment for cases involving an amount over \$5,000 or otherwise a maximum of 2 years imprisonment.
